DEPARTMENT OF
PRIMARY INDUSTRY, FISHERIES AND MINES

“It’s hands
on experience,
training with
a diverse
range of
experienced
professionals.”

Apprentice

Kim Cubillo

Background

I left School in year 10 and began working in Admin and Reception before having my son. I rejoined the workforce as a Beautician but decided that it wasn't what I wanted to be.

Current position

Apprentice in Diagnostic Services, DPIFM. Studying Cert. III in Laboratory Skills.

What do you like most about what you're doing?

Its hands on experience and I obtain training from a diverse range of experienced professionals.

Where do you see yourself in a few years time?

Studying for my Bachelors degree in science.

What would you tell other people thinking about working with DPIFM?

There's something for everyone in DPIFM, whether you like working indoors or out, at a desk, hands on, or in the field. It's a great team to be involved in.
