

# ▶ River Watch

**River Watch Centres provide advice and literature regarding fishing and aquatic environmental issues affecting a specific region.**

This includes information on:

- ▶ Fishing regulations
- ▶ Tidal predictions
- ▶ Boating safety regulations
- ▶ Aquatic environmental issues
- ▶ Navigation advice

People may also report any fishing or aquatic environmental concerns or suspected illegal activity to the nearest police station or the River Watch Centre proprietor, who will contact the relevant authority.

**The River Watch Program is sponsored by Fisheries – Department of Primary Industry, Fisheries and Mines.**
