

1080 BAITING OPERATIONS DIARY

Meets Recording Requirements for 1080 Baiting Operations

Department of Regional Development, Primary Industry, Fisheries and Resources (DRDPIFR)

and

Department of Natural Resources, Environment, The Arts and Sport (DNRETAS)

Northern
Territory
Government

Edition 2
23/04/2009

1080 Baiting Operations Diary

This diary is supplied as an aid to easily record the data required as part of your obligations when undertaking a 1080 Baiting Program.

The information you are required to record as part of your obligations when undertaking a 1080 Baiting Program is contained in the following documents:

- Commercial Product Label - Directions for Use
- Directions For Use of 1080 for Pest Animal Control (Parts 12&13) - DRDPIFR
- Approval to Purchase a 1080 Product and Conduct a Baiting Program - DRDIPIFR
- Permit to Take Protected Wildlife – NRETAS
- *Agricultural & Veterinary Chemicals (Control of Use) Act* and Regulations

In addition to the records you will record in this diary you will be required to furnish a return to (DNRETAS) Parks & Wildlife separately.

If you require further information please contact the following:
