

# VETERINARY BOARD OF THE NORTHERN TERRITORY

## **INCREASE IN VETERINARY REGISTRATION FEES FROM 1 JULY 2011**

Veterinary Registration Fees are prescribed in the *Veterinarians Regulations* as "revenue units". The monetary value of a revenue unit is reviewed annually, under the *Revenue Units Act* based on the Consumer Price Index (CPI). A recent review determined that the monetary value of a revenue unit should be raised from \$1.00 to \$1.02. As a result, **there will be a slight increase in Veterinary Registration Fees from 1 July 2011.**
