

Corporate Plan

Our Vision

A strong, vibrant and expanding Northern Territory economy

Our Mission

To work with our partners to secure substantial and lasting economic benefits for business and the broader community

Our Objectives

Competitive Businesses

DBERD does this by:

- Influencing government decisions to establish a competitive environment
- Supporting industry groups
- Advocating nationally on business issues
- Encouraging business exports
- Leveraging local industry participation
- Delivering business improvement programs
- Providing information services to business
- Encouraging businesses to embrace new technologies
- Releasing land for industry use

Thriving Regional Communities

DBERD does this by:

- Delivering programs and services in regional centres
- Co-ordinating projects that contribute to economic growth
- Partnering across governments
- Supporting Economic Development Committees (EDC)
- Linking EDC priorities to Government budget development
- Promoting an enterprise culture in Indigenous communities

A Broader Economic Base

DBERD does this by:

- Encouraging investment in research and innovation
- Advising Government on its research priorities
- Researching and developing new economic opportunities
- Encouraging strategic partnerships
- Facilitating sectoral investment
- Providing project facilitation
- Leading project development
- Participating in Government's Capital Works Program development
- Developing new business parks
