PORT DUES SCHEDULE 5

The port dues payable are 31.59 cents per GRT/UMST per six months or \$212.80, whichever is the greater amount

PILOTAGE FEES SCHEDULE 4

The pilotage fees payable are:

- Where a vessel is piloted from Charles Point Patches Buoy to Channel Rock or vice versa \$365.93.
- Where a vessel is piloted from Channel Rock Buoy to Quarantine Anchorage or vice versa 3.91 cents per GRT/UMST or \$190.28 whichever is the greater fee.
- Where a vessel is piloted from Quarantine Anchorage to a main port berth or vice versa – 6.2 cents per GRT/UMST or \$282.60 whichever is the greater fee.
- Where a vessel is piloted from Quarantine Anchorage to a remote berth, buoy mooring or anchorage in any of the harbour arms or vice versa a \$373.81 additional charge will apply.
- Where a vessel is piloted from a berth at a wharf to another berth at the same wharf - \$190.28.
- Where a vessel is piloted from one wharf to another wharf 6.19 cents per GRT/UMST or \$273.60 whichever is the greater fee.
- If a pilot is required for compass adjustment and/or trials an additional hourly charge of \$168.89 is applied to appropriate pilotage fee;
- Pilotage fee for non commercial vessels; \$206.00 with Pilot Vessel or \$103.00 without Pilot Vessel.

***Note: Normal pilotage is from Channel Rock to berth, therefore, for calculation purposes, pilotage is an addition of (b) and (c) (plus other fees above, if applicable).**

BERTHAGE FEES SCHEDULE 2

Berthage fees are payable in respect of the period which commences when a vessel or lighter is secured at berth and finishes when the last line from the vessel or lighter is cast off at a berth and, for the purposes of this Schedule, a vessel or lighter occupies the berth during that period.

The scale of charges for berthage fees are:

- For a vessel or lighter (other than a fishing vessel or passenger/tourist ferry) – 2.81 cents per GRT/UMST for each 6 hours or part thereof.

Note: For all items previously computed on GRT, where a Universal Measurement System (UMST) figure has been declared/calculated it will be used instead.

- For a passenger ferry or tourist ferry – 18.18 cents per metre length overall for each 6 hours or part thereof; during which the vessel or lighter occupies a berth, with a minimum charge as for 24 hours occupation of a berth.
- For a fishing vessel – 19.7 cents per metre length overall for each 6 hours or part thereof, with a minimum charge as for 24 hours of occupation of berth.
- If Port Corporation mooring buoys are available, rates are 50% less than normal berthage rates applicable on main berths.
- Where a vessel or lighter (other than a fishing vessel or passenger or tourist ferry) is berthed within the Port for the purposes of loading fuel, water or supplies for its own use or for purposes other than commercial purposes, the Port Corporation may grant a rebate of 75% of the berthage fees which are payable under this Schedule, in respect of the first 24 hours of the period of which the vessel or lighter is berthed within the Port.

Note: A limited exemption of 8 hours for fishing vessels while unloading catch (this applies only to those with pre-paid annual rentals in the Darwin Fishing Harbour Mooring Basin).

APPENDIX A: SCHEDULE OF FEES AND CHARGES

Definitions

A. Calculation of Tonnage

- (a) "UMST" means the tonnage of a vessel, or lighter, as calculated by the *Universal Measurement System*, contained in the International Convention for Tonnage Measurement of Ships 1969 (to which the Commonwealth is a party), as effected by any amendment under Article 118 of that Convention, other than an amendment not accepted by the Commonwealth;
- (b) "GRT" means gross tonnage of a vessel, or lighter, calculated under the *Navigation (Tonnage Measurement) Regulations* of the Commonwealth, being Statutory Rules 1976 No. 250, as amended, or replaced, by any subsequent Rules or Regulations; and
- (c) "ITM Certificate" means an International Tonnage Management Certificate, specifying the tonnage of a vessel, or lighter, and issued pursuant to the Convention referred to in Paragraph (a).

B. For the purposes of these Scheduled Fees and Charges, the tonnage of a vessel, or lighter shall mean its tonnage as determined under the following clauses.

C. The tonnage of a vessel, or lighter, shall be its "UMS" tonnage, where this can be ascertained –

- (a) from an "ITM Certificate";
- (b) from a Certificate of Registry;
- (c) from Tonnage Certificate;
- (d) from any measurement of the vessel in the latest edition of the Lloyds Register in the Port Corporation's possession;
- (e) from information received from any other port authority, or like authority, whether in the Commonwealth, or not; or
- (f) from any other source acceptable to the Port Corporation

D. Where –

- (a) the UMS Tonnage of a vessel, or lighter, cannot be ascertained from any source referred to in Section C; or
- (b) the UMS Tonnage ascertained under Section C is inaccurate in the opinion of the Port Corporation.

The Port Corporation may, if it thinks fit, make or authorise, a survey or estimate of the UMS Tonnage, and the tonnage, so ascertained, shall be the tonnage of the vessel or lighter.

E. In any case, where the tonnage of a vessel, or lighter, is not ascertained under Section C, or D, its tonnage shall be the Gross Registered Tonnage, and that tonnage shall be ascertained from –

- (a) Certificate of Registry;
- (b) A Tonnage Certificate;

DARWIN PORT CORPORATION	Issue Status	Published

	Authorisation	Business Manager
	Page No.	19

- (c) Any measurement of the vessel in the latest edition of Lloyds Register in possession of the Port; or
- (d) Any other source acceptable to the Port Corporation,

but if the Port Corporation considers the Gross Registered Tonnage so ascertained to be inaccurate, it shall itself make or authorise, a survey or estimate of that tonnage.

Conditions of credit are explained in the Darwin Port Corporation Credit Debt Management Plan Oct 2002 a copy of which is located on our website (www.darwinport.nt.gov.au)
