Issued at 12.07pm CST

The Victoria River Bridge - 200 km west of Katherine – is still closed to traffic.

The water level is dropping slowly and the deck of the bridge is 5.2m underwater at its shallowest point. Motorist message alert boards in Kununurra and Katherine will be updated as conditions change.

The Victoria Highway between the NT/WA border and the Victoria River is closed due to flooding and road damage. The border is closed.

Weight restrictions are imposed on trucks between Katherine and the Victoria River, which is the only section of the highway open to traffic. Motorists should exercise caution at submerged floodways and stream crossings.
