

FAMILY AND COMMUNITY SERVICES ADVISORY COUNCIL

SELECTION CRITERIA

Expressions of interest will be considered against the following criteria:

- An appreciation of the issues relevant to the well-being of children, families and communities in the Territory, and knowledge about their support needs across life stages and circumstances.
- A capacity to devise strategic solutions to challenges in the Family and Community Services field.
- A commitment to promote and facilitate a balanced debate, based on available evidence and considered advice.
- Technical skills, expertise, insights or networks that will assist the Council in its work will also be considered.

Membership will reflect the cultural diversity and regional distribution of Territorians.
