## Why join Foster Care NT?

**Information** – Foster Care NT provides information to current and prospective foster carers on a range of issues including payments, policies and more.

**Support** – through difficult times, whether you need the Association behind you to assist in problem resolution, or just to talk to someone who understands and has been through these problems.

**Education** – professional and personal development – seminars, talks and other ways of building your knowledge – helping you to help them.

**Advocacy** – impartial assistance and support at meetings.

**National representation** – Foster Care NT takes an active role in a national network of States and Territories working together to improve outcomes for foster carers and children.

**Foster Care NT is the peak funded body for Foster Carers in the NT.**

**We are a non profit community organisation that exists to support, advise and advocate for Foster Carers.**

**Foster Care NT**

**Networking** – meet other carers, discuss triumphs and frustrations.

**Focus Groups** – do you have a child with a disability, a child with attachment disorders, or are you in a remote region? Get together with other carers interested in the same issues and discuss ways of finding positive outcomes.

**Social activities** – it's not all serious – Make new friends at get togethers, events on National Foster Care Day, Christmas parties and more.

**Policy input** – opportunity for those interested to contribute to policy-making on the local and national level.

**National Conference** – Foster care NT offers assistance for members to attend the National Conference.

**Regular newsletters** – full of interesting articles and upcoming events.

**Recognition** – peer acknowledgement is a strong form of validation and support. Foster Care NT recognises the fantastic job done by all foster carers.
