

# Smoking Cessation Educator Training

## 2-day Fresh Start Facilitators Course Alice Springs: 12 – 13 November 2007

This two day training is designed for health professional who wish to gain skills as a facilitator for the Fresh Start Course.

The training will be conducted by Quit Victoria trainers:

- **Stavroula Zandes, Cessation Settings Manager**  
With a background in psychology, Stavroula now manages the cessation training for health professionals. Quit's training program encompasses a wide range of settings including oral health, pharmacy, general practice, maternity care, mental health and cardiac.
- **Elizabeth Holloway, Training Project Officer**  
Elizabeth's work includes developing resources for smoking cessation for health professionals, Quit Educator training and presenting smoking cessation information to health professional and industry groups.
- **Toni Mason, Aboriginal Tobacco Control Project Coordinator**  
Toni's role is to work with the Aboriginal and Torres Strait Islander communities and provide smoking cessation training for Aboriginal Health Workers and other professionals, adapt Quit resources to make them more culturally appropriate as well as liaise with Aboriginal community organisations to promote Quit's Educator training to enable communities to conduct Quit's Fresh Start course in a culturally appropriate way.
