

Northern Territory Government

Override/Resume Program After Hours

- ◆ To override the preset program press the "**MODE**" button. The horizontal bar on the bottom on the LCD will move and sit above the **ON** position
- ◆ After you have finished using the equipment press the "**MODE**" button again. The horizontal bar on the LCD will move and sit above the **AUTO** position and the timer will resume the preset program

MODE button

*Please ensure that the horizontal line on the bottom of the LCD is above the **AUTO** position when you leave*

For assistance please contact Energy Management Services on 8924 7247
