

MCMILLANS ROAD AND BAGOT ROAD INTERSECTION NIGHT WORKS

Scope of works

Resurfacing works will take place at the intersection of McMillans Road and Bagot Road intersection on:

Saturday 10 and Sunday 11 September 2011.

The majority of works will take place at night to minimise disruption to traffic.

A suggested alternative route while the works take place on Bagot Road (from McMillans Road) is via Neale Street and Osgood Drive.

The works will affect the inbound lanes of McMillans Road and there will be changes to the flow of traffic.

Traffic management will be present and motorists are advised to heed all traffic devices and speed limits in place around the road works.
