**PLEASE NOTE**

Registration of a business name does not, of itself, provide legal protection to the proprietor. Registration of a business name is an obligation of carrying on business under a business name. The intention is to protect consumers, not the registrant. If you register a name consisting of generic words this office may register another name containing those same words.

Department of Justice does not search trade marks. No responsibility will be accepted for registration of a name which might infringe proprietary rights acquired by registration of a trade mark.

Stamp duty is payable on the acquisition of certain business property and rights. For more information please contact Territory Revenue Management on 1300 305 353, or visit [www.nt.gov.au/ntt/revenue](http://www.nt.gov.au/ntt/revenue).
