

LICENSING, REGULATION AND ALCOHOL STRATEGY

How to Get Photo ID

Photographic identification (photo ID) is needed to buy alcohol from all licensed stores and public hotel takeaway outlets in Katherine, Mataranka, Pine Creek and the Victoria River Roadhouse.

The photo ID system forms part of the Katherine Alcohol Management Plan and aims to reduce the supply of alcohol in Katherine and the level of antisocial behaviour caused through excessive drinking.

It is a genuine attempt to target problem drinkers and will assist licensees to comply with alcohol restrictions and other legislative requirements.

The photo ID system reads many different types of identification cards including:

- Driver licence
- passport
- KRALAS card
- 18+ card
- other common forms of photographic identification as approved by the Director of Licensing.

The system also recognises a range of national identity cards from over 50 countries.

Your ID must show your photo, your name and your date of birth.

Acceptable forms of photo ID can be obtained from:

- The Motor Vehicle Registry Office
- NAAJA Katherine Office.

Mission Australia can help you obtain suitable ID from either of these organisations.

You may need to obtain a birth certificate from the Office of Births, Deaths and Marriages before ID can be issued. If this is the case allow more time to get photo ID.
