In consideration of the Commission granting this application to register the greyhound described above, I agree to be bound by and to comply with all such rules and statutory provisions in respect to Greyhound Racing and the registration of greyhounds as shall for the time being and from time to time be in force and be made by the said Commission and all decisions and directions that shall from time to time be made thereunder by the Commission or by any other authority or person authorised under such rules to make same.

I further agree that as a condition of registration that:

- a) The number of bitches to be served by the greyhound which is the subject of this application shall not exceed 14 in number in any one calendar month.
- b) That if the greyhound referred to in this application shall fail to produce 10 litters from each 20 bitches served (and in this regard I acknowledge that the Commission may if it wishes rely solely upon whelping notices received by it), that I shall, within seven (7) days of receiving notice from the Commission present the said greyhound to a professional person or persons at such place and for such period specified by the Commission so that veterinary tests may be carried out on the dog.

- c) That I will accept responsibility for payment of any veterinary fees incurred by a direction of the Commission in relation to fertility testing of the greyhound referred to in the schedule.
- d) That if the results of the tests referred to in the preceding clause (b) are not to the satisfaction of the Commission (and in this regard I agree that no reasons need be given for such dissatisfaction), then the said Commission shall have the unqualified right to suspend the Stud registration of the greyhound by notification to me for a period not being longer than one (1) month and at the end of the period specified, I shall submit the dog to further tests as required by the Commission.
- e) If the Commission is not satisfied with the results of such further tests, it may suspend the stud registration of the said greyhound for such period as it thinks fit or indefinitely and thereafter the onus shall be on me to show that the greyhound can perform its stud duties in a proper manner.
- f) The Commission shall have the unrestricted right to publish the number of services by the said greyhound and the number of litters produced from such services.
- g) Any reference to the "Commission" in this document shall be construed so as to include its Chairman, its Stewards and/or its other proper officers.
