USE OF AUDIO/VIDEO EVIDENCE IN COURT

1. Audio and video recordings for use in Court must be compatible with the Court's playing equipment. For this purpose, unless the Court otherwise orders, audio recordings must be in WAV format and video recordings must be in VOB format on a DVD-R disc.
2. Any audio and video recording sought to be used in Court must be produced to the Court at least 48 hours prior to its intended use to enable it to be tested on the Court's playing equipment.
