

# NORTHERN TERRITORY BUILDING PRACTITIONERS BOARD

<b>POLICY TITLE:</b>	<b>ENDORSEMENT POLICY</b>		
<b>POLICY NO.:</b>	<b>BPB-012</b>		
<b>EFFECTIVE DATE:</b>	<b>21 April 2008</b>	<b>REVIEW DATE:</b>	<b>9 April 2009</b>

## Purpose of Policy:

The purpose of this policy is to outline the Boards requirements for the addition of an endorsement on a registration.

## Supporting Policies/documents:

Nil

## Policy:

A practitioner in the sub-category Certifying Plumber and Drainer (Design) may apply for an endorsement on their registration to include the design of fire hydrants and hose reels. The application is made in the form of a letter to the Board requesting the endorsement along with a resume, copy of relevant qualifications and references.

In order for the Board to approve the endorsement the practitioner must have appropriate qualifications and demonstrate experience in the design of fire hydrants and hose reels.

Experience – The practitioner must demonstrate at least 3 years experience in the design of fire hydrants and hose reels. A reference from at least one hydraulic engineer (preferably registered in the Northern Territory) or some other person who in the opinion of the Board has recognised experience in the field.

Qualifications - The practitioner must have successfully completed of the qualification unit BCPWT4001A Plan size and layout hot and cold water services/systems or a unit which the Board considers is equivalent to this unit.

Adopted by the Building Practitioners Board
