

Greening our Streets

Greening our Streets is a community initiative of the Northern Territory Government, which has allocated \$1 million to beautify and 'green up' residential streets in Darwin and Palmerston.

Residents nominated their street, applications were prioritised according to advertised criteria and winners have been selected.

Greening Australia will now deliver the project, including consulting with the community and councils, and coordinating community tree planting days.

Community Consultation and Planting Dates

Below is a list of dates for community consultation and planting days for successful streets.

If you wish to attend a community planting day please register your interest by calling Greening Australia on (08) 8947 3793 or email drew.shugg@nt.greeningaustralia.org.au. Planting will be from 3pm on the nominated planting day.
