1. Remove the following page from your paper copy of the NT Planning Scheme:
Part 4-24
2. Print the replacement page; and
3. Insert replacement page after:
Part 4-23

Amendment 206
gazetted 18.01.2012
amends sub-clause 2

6.17 DREDGING WITHIN DARWIN HARBOUR

1. The purpose of this clause is to ensure dredging within Darwin Harbour does not degrade the environmental value of the harbour waters.
2. Dredging of the seabed within Darwin Harbour (being the waters south of a straight line between Charles Point and Gunn Point) requires **consent**.
