

Email Update Notification Service

The Department of Planning and Infrastructure offers a free email notification service to assist clients in keeping up to date with amendments to the Northern Territory Planning Scheme.

A Planning Scheme Amendment (PSA) involves either the rezoning of land or changes / additions / deletions to text or diagrams contained in a Planning Scheme. The *Planning Act* sets out the process for amendments to the Planning Scheme, including public exhibition and culminating in the gazettal of an amendment.

Notification of amendments via the email update notification service will occur as soon as practicable after the gazettal of the amendment.
