## **McARTHUR RIVER MINE OPEN CUT PROJECT**

Mines Minister Kon Vatskalis has received the new Assessment Report of the EPA and recommendation of the Minister for Environment Marion Scrymgour on the McArthur River Mine Open Cut Project.

“I have instructed officers of my department to now consider the material supplied to me by the Environment Protection Agency and Minister Scrymgour.

“I will make my decision regarding an authority to mine known as soon as possible after considering advice,” said Mr Vatskalis.
