Temporary Closure for Territory Wildlife Park

The Territory Wildlife Park has been temporarily closed for visitors due to the current cyclone warning affecting the Top End.

Territory Wildlife Park acting manager Jodie Clarkson said it is procedure to close the Park during a cyclone warning in the interest of public safety.

“The front gate has been closed and will remain closed until the cyclone warning is lifted,” Ms Clarkson said.

“All visitors currently in the park have been advised of the warning, with staff keeping a watchful eye on both the visitors and updates from the Bureau of Meteorology for further updates.”
