Closures due to Cyclone Warning

The Department of Natural Resources, Environment, The Arts and Sport (NRETAS) advises that the following temporary closures apply due to the current weather conditions and cyclone warning.

Parks & Reserves

- Berry Springs Nature Park
- Casuarina Coastal Reserve
- Charles Darwin National Park
- Fogg Dam Conservation Reserve
- Holmes Jungle Nature Park
- Howard Springs Nature Park
- Leaning Tree Lagoon Nature Park
- Leanyer Recreation Park
- Litchfield National Park
- Manton Dam Recreation Area
- Mary River National Park
- Territory Wildlife Park
- Umbrawarra Gorge Nature Park
- Windows on the Wetlands Visitor Centre

Butterfly Gorge Nature Park, Channel Point, Tjuwaliyn (Douglas) Hot Springs Park and most areas of Litchfield National Park and Mary River National Park are seasonally closed for the duration of the wet season and these closures remain in place.

Arts & Culture

- Archives NT
- Arts NT
- George Brown Darwin Botanic Gardens
- NT Herbarium
- The Museum and Art Gallery of the Northern Territory (MAGNT)
- The Northern Territory Library

NRETAS will advise when these areas will re-open to the public.

Ends

Issued: 10am Wednesday, 16 February 2011
