Warren H. Williams Live at the Desert Park

The Alice Springs Desert Park (ASDP) is soon to be swamped in a night of country music when Australian country music star and local identity Warren H. Williams takes to the stage on Friday, 13 May 2011.

Alice Springs Desert Park Director Gary Fry said that it will be a night full of music, entertainment and good food.

“We are very lucky to have Warren, one of Australia’s favourite musicians, stopping by to entertain us for the evening,” Mr Fry said.

“Not only will those attending experience good music, but there is also delicious food available at the Park.

“Warren is an Arrente speaking man born in the remote community of Hermannsburg and has since made it big, with one of his most well known duets of ‘Raining on the Rock’ with John Williamson leading him to critical acclaim.

“He was inducted into the Hands of Fame in Tamworth in 2008 and has toured all over the Australia and New Zealand including regular appearances at Tamworth and other major Country Music festivals.

Bring a chair, a bean bag or a picnic rug to enjoy the night amidst Central Australia’s magnificent native flora and fauna. With the stunning West MacDonnell Ranges as a backdrop and a starry sky above, it is sure to make for a truly remarkable experience.

“The Desert Park provides unique and entertaining evenings for locals and visitors to enjoy, while gaining an appreciation for our natural environment,” Mr Fry said.

Concert gates open at 6:00pm with the concert to start at 7:30pm Friday 13 May 2011. Tickets for the event will be sold at the gate for \$25 for adults, \$15 for children and \$65 for a family.

A three course banquet dinner in a reserved area will be on offer including entree, alternate service main meal and dessert. Tickets are \$90 for the ‘Dinner and Concert’ with bookings essential.
