

APPENDIX 9: ACKNOWLEDGEMENTS

There are many people to thank for their contribution to the project.

Core members of the Survey Team: Catherine Nano, Jeff Cole, Don Langford, Russell Best, Jeff Turpin, Simon Watkinson, Mark Trower, David Albrecht and Debbie Randall.

Other Government staff / consultants who took part in survey work: Theresa Nano, Chris Pavey, Peter Latz, John Davoren, Darren Schunke, Kasha Gabrys, Glenis McBurnie and Kurt Tschirner.

Landholder consultation: Helen Neave was primarily responsible for landholder consultation. Help here was received from Ross Bryan, Steve Eldridge, Peter Latz and Brad Nott.

Volunteer field assistance: Valuable volunteer assistance was provided by Audrey Hill.

Assistance with project design and statistical advice: Alaric Fisher, Owen Price and John Woinarski. Ross Cunningham reviewed the project design. Anita Smyth of CSIRO Sustainable Ecosystems provided advice on multivariate statistical analysis.

Other DIPE staff who assisted at various times were: Kay Bailey, Tony Bowland, Mandy Bowman, Ross Bryan, Greg Connors, Angus Duguid, Glenn Edwards, Steve Eldridge, Alaric Fisher, Greg Fyfe, John Gavin, Russell Grant, Alison Kennedy, David Kennedy, Dennis Matthews, Owen Price, Graham Ride, Col Stanton, Felicity Watt, Dianna Whitehouse, John Woinarski and Cameron Yates. Felicity Watt was particularly helpful with setting up the data layers for the project. Steve Greig provided database support in a volunteer capacity. Tony Bowland, Michael Butler and John Gilmour provided valuable comments on the draft report.

CLMA: We are grateful for the assistance provided by Will Dobbie, Dionne Walsh and Bob Millington.

Other assistance was provided by: Bill Low, Michelle Rodrigo, Alex Nelson and Joe Benshemesh.

DBIRD staff who provided input at various times: Brian Gill, Greg Crawford, Brian Radunz, Greg O'Reilly and Rik Dance.

CSIRO Sustainable Ecosystems staff: Gary Bastin, Marg Friedel and Craig James.

We are grateful to many people and organisations for the supply and use of images for this report. We thank the Arid Zone Research Institute (AZRI) Library, Nature Focus, South Australian Department for Environment and Heritage (SADEH), Queensland National Parks and Wildlife Service (QNPWS), Australian Government – ACRES, Geoscience Australia, David Albrecht, Michael Barritt, Joe Benshemesh, Kym Brennan, Peter Canty, Graeme Chapman, Jodie Clarkson, R.C. Darken, Will Dobbie, Mike Fleming, Greg Fyfe, John Gavin, Mike Gillam, Alan Ginns, Paul Hackett, Ken Johnson, Steve McAlpin, Mac Moyses, Catherine Nano, Ted Sandery and Gary Weir.

As part of this project, an Advisory Group was established and we are grateful to the following members for their input into the project and comments on the draft report:

- Centralian Land Management Association (CLMA) – Will Dobbie;
- Pastoralists' representative – Matthew Smith (New Crown Station);
- Central Land Council (CLC) – Richard Tuckwell and later Brad Nott;
- Department of Lands Planning and Environment (DLPE) – Alison Kennedy;
- Arid Lands Environment Centre (ALEC) – Glenn Marshall;
- Threatened Species Network (TSN) – Colleen O'Malley; and
- Parks and Wildlife Commission of the Northern Territory – Helen Neave, Catherine Nano, Jeff Cole and Mac Moyses.

We'd especially like to thank the Pastoralists of the Finke Bioregion without whose interest, support and co-operation, this project would not have been possible.

This project was jointly funded by the Natural Heritage Trust and the Northern Territory Government.
