**APPLICATION FOR A PERMIT
TO UNDERTAKE SCIENTIFIC RESEARCH ON WILDLIFE**
Territory Parks and Wildlife Conservation Act 2006

PLEASE NOTE THE FOLLOWING:

Once received, a minimum of four weeks may be required for processing of your application. (You may be required to enter into a Benefit Sharing Deed. If so, you will be contacted by the Department of Business, and Employment. The application will not proceed until the Deed is finalised.)

- Your application will not be accepted unless ALL information required is provided when the application is lodged.
- Please print clearly, as processing of your application will be delayed if information supplied is illegible.
- A permit will not be processed if the required returns/reports have not been received for previous permits.
- Please note that a permit application involving vertebrates will not be accepted without the relevant approval letter from an approved animal ethics committee.

If any of the above apply to this application, it will be returned to you for completion.

- The issuing of a permit does not provide permission to enter land. This must be negotiated separately with the owner or manager of the land.
- If the location on your application refers to any Aboriginal lands and/or waters over those lands, you will need to contact the relevant Land Council for landowner approval.
- The issuing of this permit does not provide permission to enter Aboriginal Land/or waters over that land.
- Permits are issued subject to the provisions of the Northern Territory Aboriginal Sacred Sites Act. If an application is successful, the permit holder is advised to contact the Aboriginal Areas Protection Authority (phone number 8981 4700/ 8952 6366) before commencing any activities.
