**APPLICATION FOR A PERMIT
TO TAKE OR INTERFERE WITH WILDLIFE**
Territory Parks and Wildlife Conservation Act 2006

PLEASE NOTE THE FOLLOWING:

Bio-prospecting, Bio-discovery and the Northern Territory's Access to Biological Resources Act 2006.

Activities detailed in this permit application which are identified as bio-prospecting, or may lead to bio-discovery may require the applicant to enter into a Benefit Sharing Deed with the Northern Territory Government. If so, you will be contacted by the Department of Business, and Employment. This Parks & Wildlife application will not proceed until the Deed is finalised.

- **Your application will not be accepted unless ALL information required is provided when the application is lodged.**
- **Please print clearly, as processing of your application will be delayed if information supplied is illegible.**
- **A permit will not be processed if the required returns/reports/royalties have not been received for previous permits.**

If any of the above apply to this application, it will be returned to you for completion.

- **If the location on your application refers to any Aboriginal lands and /or waters over Aboriginal land you will need to contact the relevant Land Council for landowner approval.**
- **This permit once issued, does not authorise entry into Aboriginal Land or waters over that land, it is your responsibility to obtain landholder approval.**
- **Permits are issued subject to the provisions of the Northern Territory Aboriginal Sacred Sites Act. If an application is successful, the permit holder is advised to contact the Aboriginal Areas Protection Authority (phone number 8981 4700/ 8952 6366) before commencing any activities.**
- **Once received, a minimum of two weeks will be required for processing of your application.**
