MANAGEMENT PROGRAM FOR THE MAGPIE GOOSE (ANSERANAS SEMIPALMATA) IN THE NORTHERN TERRITORY OF AUSTRALIA 2009-2014

The Director of Parks and Wildlife, in pursuance of section 34(3) of the *Territory Parks and Wildlife Conservation Act* gives notice that:

- (a) a Management Program for the Magpie Goose (*Anseranas semipalmata*) in the Northern Territory of Australia 2009-2014 has been approved; and
- (b) the Management Plan covers such issues as:
 - maintaining viable wild populations of the Magpie Goose;
 - promoting the long term protection of the wetland habitats on which Magpie Geese and other wetland fauna depend; and
 - providing ongoing refinement of Magpie Goose management through evaluation of management prescriptions and performance.

The Management Program satisfies the requirements of the *Territory Parks and Wildlife Conservation Act*.
