APPLICATIONS

Applications lodged under section 104 of the *Offshore Petroleum and Greenhouse Gas Storage Act 2006* must include:

(a) Details of: -

- (i) *Technical Assessment*
 the applicant's assessment of the petroleum potential of the area, including the concepts underlying its proposed exploration work program, with sufficient detail to support that program;
- (ii) *Minimum Guaranteed Work Program*
 the applicant's minimum guaranteed proposal (including indicative minimum expenditure) for exploration wells to be drilled, 3D and 2D seismic

and other surveying activities, data evaluation and other work, for each year of the first three years of the permit term. This proposal, to be known as the minimum guaranteed work program, should comprise work expected to involve a substantial exploration component - normally, appraisal work should not be included;

(iii) *Secondary Work Program*

the applicant's proposal (including indicative minimum expenditure) for exploration wells to be drilled, 3D and 2D seismic and other surveying activities, data evaluation and other work, for each of the three remaining years of the permit term. This proposal, to be known as the secondary work program, should comprise work expected to involve a substantial exploration component - normally, appraisal work should not be included.

(b) Particulars of the applicant: -

- (i) the technical qualifications of the applicant and of its key employees;
- (ii) the technical advice available to the applicant;
- (iii) the financial resources available to the applicant, including evidence of the applicant's ability to fund the work program proposed, a statement of other exploration commitments over the next six years, and a copy of the latest annual and quarterly reports for each applicant company;
- (iv) where relevant, the viability of the consortium lodging the application, including evidence that a satisfactory settlement has been, or can be, reached on the Joint Operating Agreement (a copy of a signed Heads of Agreement dealing will generally suffice); and
- (v) the percentage participating interest of each party to the application;

(c) Other Information

Such other information as the applicant wishes to be taken into account in consideration of the application.

(d) Fee

Each application must be accompanied by a fee of \$A4,590, payable to the Commonwealth of Australia through an Australian bank or bank cheque.

Further details of the work program bidding system outlined above, including the criteria for assessment of applications and the conditions to apply following the award of a permit are available from the Director of Energy, Department of Resources in Darwin and from the Petroleum Division, Department of Resources, Energy and Tourism in Canberra.

It should be noted that any income derived in the future from the recovery of petroleum from these areas will be subject to the Commonwealth Government's Resource Rent Tax.

Applications for NT10-1 together with relevant data should be submitted in the following manner to:

Petroleum Registrar
 Department of Resources
 5th Floor, Centrepoint Building
 The Mall
 DARWIN NT 0800
before 4.00 pm Thursday 12 May 2011

- in an envelope or package clearly marked 'Application for Area (insert Area Number) Commercial-in-Confidence,'
- enclose two copies of the application, supporting material and the application fee.

- The application should be sealed and marked as described above, then enclosed in a plain covering envelope or package and posted or delivered to the above address.

Copies of the basic exploration data pertaining to the blocks comprising this notice may be obtained from the Department of Resources, 3rd Floor, Centrepont Building, The Mall, Darwin.

Territory Insurance Office Act

TERRITORY INSURANCE OFFICE DETERMINATION
1/2010

I, DELIA PHOEBE LAWRIE, the Treasurer, pursuant to section 47(2)(a) of the *Motor Vehicles Act*, determine that the method by which annual compensation contribution amounts are to be calculated is as follows:

Compensation contribution amounts, in respect of the financial year beginning 1 July 2011 and each subsequent financial year, must be calculated in accordance with the following formula:

$$c_i = c_{i-1}(1 + \text{CPI})$$

where -

"c_i" is the compensation contribution amount payable; and

"c_{i-1}" is the compensation contribution amount payable for the current period; and

"CPI" means the consumer price index (CPI) factor used in the Northern Territory Government Budget for the period identified. If a CPI factor is not used in the Budget then CPI will mean an index determined by the Treasurer that is the best estimate of the CPI.

Dated 8th December, 2010.
