

Regional Highlights

Regional Highlights presents an overview of key items and significant programs in the 2004-05 Budget for the six Territory regions.

The paper details initiatives in service delivery, tailored specifically for each region in the areas of business, jobs and training, safer communities, schooling and health, regional development, lifestyle and environment. It also includes Territory-wide initiatives, which apply across all the regions.

Important infrastructure projects are identified for each region as well as on a Territory-wide basis.

Regional Highlights complements the extensive information in the other Budget Papers by presenting budget details of significance and particular relevance to the communities in each of the Territory's regions.
