CORRIGENDUM 2009 REGULATORY RESET – FINAL DETERMINATION

The side constraint formula given in the Final Determination in paragraph 2.38 (page 10) and paragraph 6.61 (page 105) is incorrect.

The side constraint formula in the third dot point in paragraph 2.38 and paragraph 6.61 should read:

*“...the resultant impact on the weighted average tariff for each individual end-use customer does not comply with a **CPI-X+Y** [emphasis added] side constraint, where Y is:*

- in relation to 2009/10: $P_0+2\%$; and*
- in relation to each of the four years after 2009/10: 2% .”*
