COMMUNITY CABINET HEADS TO ALICE SPRINGS

Cabinet Ministers will meet with a variety of organisations and make a number of significant media announcements when Community Cabinet is held in Alice Springs on Monday 23rd May and Cabinet is held on and Tuesday 24th May.

Chief Minister, Clare Martin, said that Community Cabinet is an opportunity for locals to meet Government Ministers face-to-face.

“We’re a Government for all Territorians and Community Cabinets are one way to keep in touch with the real issues right across the NT,” she said.

“My Government backs Territorians and back their business to grow and we will spend our time in Alice Springs listening to what local residents have to say.”

Ms Martin, will hold a women’s forum at the Araluen Centre, meet with the Royal Flying Doctors Service and Alice Springs Desert Park.

Essential Services Minister Dr Chris Burns will officially commission the new Titan generator at Ron Goodin Power Station

Business Minister and Minister for Police Fire and Emergency Services Paul Henderson will meet with business groups - including holding a Business Round Table - and visit Police and Fire Stations.

Education Minister Syd Stirling will visit a number of schools including Ross Park, Acacia Hill and Sadadeen.

Primary Industries Minister Kon Vatskalis will meet with key industry people.

“Ministers have had the chance to meet with thousands of people as a result of Community Cabinet events, and I am looking forward to taking Government to Territorians in Alice Springs,” Ms Martin said.
