## **COMMUNITY INVITE TO PALMERSTON COMMUNITY CABINET**

Chief Minister, Clare Martin, will host a Community BBQ at Palmerston tomorrow (Tuesday 9th August) to provide locals with an opportunity to meet their Government Ministers.

“Community Cabinet is just one way my Government is keeping in touch with Territorians and their issues right across the Territory,” she said.

“It’s an opportunity for people to speak directly with members of Government about anything that is of concern to them.

“The Community BBQs provide an informal setting to raise local issues and discuss local initiatives.

“It is also a good opportunity for local residents to meet with their recently elected representative James Burke, Member for Brennan.”

The Palmerston Community BBQ and free sausage sizzle will be held on the lawns of the Civic Centre (corner Chung Way Terrace and University Avenue) from 5pm to 6.30pm Tuesday 9 August.

Ms Martin said that thousands of Territorians have participated in Community Cabinet since it commenced in 2002.
