CUSTOMER INFORMATION

PRIVACY STATEMENT

The Registrar of Motor Vehicles is required to collect information for registrations, licences and permits under section 92 of the *Motor Vehicles Act*. The Registrar adheres to the Department of Planning and Infrastructure's Privacy Statement and the *Information Act*. Further information on privacy can be found at www.dpi.nt.gov.au.

INSPECTIONS

If a vehicle roadworthy inspection is required (refer inspection due date on the front of this form), vehicles can be inspected at an authorised inspection station located throughout the NT, or at a Motor Vehicle Registry Vehicle Standards Centre (see below*). An inspection will also be required whenever the minimum renewal period will extend the vehicles registration beyond the inspection due date. You will need to pay an inspection fee in addition to the fees on the front of this form. The Inspection Certificate must accompany your renewal application.

INFRINGEMENT NOTICES

In circumstances where only an offending vehicle is identified any Traffic Infringement Notices will be sent to the registered owner/operator of that vehicle. Where a vehicle has joint (or multiple) owners the infringement notice is sent to the first person (or body corporate) named on the registration certificate; or the registered operator where nominated.

ABOUT THE MOTOR ACCIDENTS COMPENSATION SCHEME

Motor Accidents Compensation

The *Territory Insurance Office Act* establishes the Motor Accidents Compensation scheme. The scheme is administered by the Territory Insurance Office on behalf of the NT Government. The no-fault scheme compensates motorists injured, or their dependants if they are killed, as a result of a motor accident in the Northern Territory or interstate if a Northern Territory registered motor vehicle is involved.

The scheme is funded by motor vehicle owners who pay compensation contributions when they register Northern Territory vehicles. It is designed to compensate people quickly and fairly. The scheme pays compensation available under the *Motor Accidents Compensation Act*. Such compensation includes loss of earning capacity benefits, medical or hospital care, rehabilitation services, loss of limb, permanent impairment and, in event of death, funeral expenses, benefits for surviving spouses, dependant or orphaned children and, where appropriate, dependant parents.
