MEDIA RELEASE

Updated Road closures

The Department of Planning and Infrastructure advises the following update to road conditions in the Top End as a result of flooding:

Kakadu Highway – is now open but there is some flood damage to the road surface. Motorists are urged to use extreme care in particular around the Mary River.

Cox Peninsula Road – remains closed at Berry Springs Creek with approximately 1m of water over the road.

Arnhem Highway – remains closed between Adelaide River and Flying Fox Creek. More than 1m of water is over the road. The floodplain is rising and it is likely that the Arnhem Highway will remain closed for some time.

Updates will continue to be distributed as the day progresses.

You can check on official road closures and restrictions through our website: www.roadreport.nt.gov.au or phone FREECALL 1800 246 199.

Ends.

Issued: 11.45am, Wednesday 26 April 2006.
