## **MEDIA ALERT** **Updated road conditions**

The Department of Planning and Infrastructure advises the following changes to road conditions:

**Daly River Road** – Open

**Shady Camp Road** – Open to 4WD vehicles with extreme care. There is flood damage to various sections of the road.

**Arnhem Highway** is closed at the eastern approach of the Adelaide River bridge to the end of the Adelaide River floodplain. Currently there is under 1 metre of water and dropping over the road. DPI staff will be monitoring the road throughout the day.

The below road condition information issued yesterday remains unchanged:

**Victoria Highway** – closed between the Buntine Highway intersection and the WA border.

**Buntine Highway** – closed between Victoria Highway intersection and Kalkaringi

**Point Stuart Road** – a weight restriction is currently in place for heavy vehicles

**Rockhole Road** (off Point Stuart Road) – road closed

**Kakadu Highway** – open with caution. There is flood damage to the road at the Mary River bridge.

**Ooloo Road** at Hayes Creek is now road open

**Cox Peninsula Road** is now open at Berry Springs Creek.

**Updates will be distributed as the day progresses.**
