FREE BUSES FOR BASSINTEGRASS

The Northern Territory Government is providing free buses for tomorrow's BASSINTEGRASS, the Territory's biggest music event of the year.

A free shuttle bus service will operate from the Darwin Bus Interchange to the BASSINTEGRASS bus stop on Gardens Road (at the entrance to the George Brown Darwin Botanic Gardens).

The shuttle bus will operate from 11am until midnight.

At the end of the concert, free buses will depart the BASSINTEGRASS bus stop for the Casuarina and Palmerston interchanges via routes 4, 8 and 10.

After arriving at the interchanges, the buses will continue on to do a loop around the suburbs, dropping off as required on main roads.

BASSINTEGRASS is held at the Darwin Amphitheatre. Gates open at 11am, Saturday 27 May.
