CONDITIONS OF USE

1. All number plates remain the property of the Registrar of Motor Vehicles. You are paying a fee for the "Right To Display" particular or personalised number plates only, and not for the purchase of the number plates.
2. All plates ordered must be affixed to a current NT registered vehicle within 12 months of notification that the plates are available for collection. This period may be extended for a further 12 months by applying to the Registrar prior to the expiry date. If the extension is approved an administrative fee will be payable.
3. If the registration of the vehicle is allowed to lapse, you will retain the right to display the plate for twelve months. This period may be extended for a further 12 months by applying to the Registrar prior to the expiry date. If the extension is approved an administrative fee will be payable.
4. All plate applications are accepted subject to approval of the Registrar of Motor Vehicles. Obscene, blasphemous, racially offensive, sexually explicit, violent or discriminatory plate combinations will not be approved.
5. The reasons a customer gives for wanting a certain plate are completely irrelevant as to whether or not the plate is acceptable. The plate must stand on it own as being acceptable to the community.
6. If complaints are received regarding a personalised number plate then the Registrar may choose to withdraw the plate from circulation and offer the owner an alternative number or a refund of their personalised plate fee.
7. Where an application for a specific sequence has been rejected, the applicant may either apply for a refund of fee or submit an alternative choice.

DECLARATION

I declare that I have read and agree to abide by the above conditions and I acknowledge this order has been accepted subject to final approval by the Registrar of Motor Vehicles.
