CPV10 Multi Purpose Taxi (MPT) Licence

Introduction

- A Multi Purpose Taxi (MPT) is a vehicle approved by the Director of Commercial Passenger (Road) Transport that is fitted, equipped or constructed to carry at least four (4) passengers in addition to at least one (1) passenger in a wheelchair and must accept that hiring as a priority over any other hiring.
- An MPT is used to for the purpose of hire or reward with the services of a driver.

Requirements

To Own/Operate a MPT

- To own/operate or register an MPT, you must be an Accredited Operator under the Commercial Passenger (Road) Transport Act. Once accredited, you are then required to apply for an MPT licence.
- To apply for Operator Accreditation to operate an MPT, complete the application form [CPVF01](#), and all other requirements as laid out in the application, then submit at your local MVR Office with the prescribed fee.
- Before an MPT licence can be issued you must have your vehicle checked and approved by an MVR Transport Inspector and pay prescribed fee (see page 2 of this bulletin).
- You must keep records relating to the operation of an MPT as set out in the current Taxi Regulations.

To Drive a MPT

- To drive an MPT for the purpose of hire or reward, you must:
 - (a) be the holder of a current drivers licence
 - (b) be the holder of a licence to drive Commercial Passenger Vehicles (“h” endorsement)
 - (c) have successfully completed formal driver training, and
 - (d) be the holder of a current CPV ID card with Taxi endorsed against the ID Card.
- Any person who drives a vehicle that is registered as a Commercial Passenger Vehicle must have zero blood alcohol level.

Operating Conditions

- Government has placed a cap on the number of Taxis and MPTs operating in the Darwin and Alice Springs areas. The availability of a Taxi licence is based on the population within these areas. Available Taxi licences are allocated by ballot. A ballot is held subject to licence availability. The ballot is advertised at least 3 weeks in advance.
- If an MPT licence is expired for a period of more than 3 months it will be considered cancelled and placed on a list of licences to be made available through the ballot process.

- When applying for an MPT licence the person applying for that licence must be the same as the person who owns the vehicle.
- There is provision to place an MPT licence on hold (conditions apply).
- An MPT is permitted to stand for hire in designated Taxi ranks.
- An MPT is permitted to respond to hails, eg. if a potential customer waves you down from the footpath you can pull over and pick that person up providing it is safe to do so.
- The annual fee for an MPT licence varies from region to region.

Darwin	\$8,800	Katherine	\$4,950
Alice Springs	\$7,150	Gove	\$2,750
Tennant Creek	\$2,475		
- A full payment of 12 months will apply to any new MPT licence that is issued. Following the initial 12 months period the option of 3, 6, 9 and 12 monthly payments are available.
- A person cannot operate an MPT within an area that is not specified in the MPT licence.
- You must have a meter fitted to an MPT that is tested by a certified Taximeter Testing Officer. The Taxi meter calculates the fare to be paid by the customer.
- Communication devices, company logos/advertisements and dome lights must be fitted as described in the "Taxi Requirements and In-Service Maintenance Standards".

Communications device for a MPT

- Any communications device used by drivers to receive notification of jobs is subject to conditions. These conditions are to enhance customer service, safety, and complaints handling, so that the same minimum standard across the entire industry is maintained.
- When you apply for an MPT licence you will be asked to nominate your intended communications device/s.

General information

- Any person who operates or drives an MPT must comply with all relevant Acts, Regulations and any Code of Conduct pertaining to Taxis.
